SUBJECT: Body Art Establishment Inspection Report

Dear Mr. Kellner:

Based on the facts and law in this matter as described in the enclosed Inspection Report, the Minnesota Department of Health has determined your Body Art Establishment violates the requirements of Minnesota Statutes, section 146B.02, subdivision 7 related to operating an establishment in a private residence; section 146B.06, subdivision 2 related to health and safety standards; and section 146B.09 related to county or municipal land use ordinances. These violations constitute grounds for disciplinary action under Minnesota Statutes, section 146B.08, subdivision 3, clauses (3), (9), and (10). Therefore, MDH is revoking your provisional body art establishment license as authorized by Minnesota Statutes, section 146B.08, subdivision 4.

This decision will be made final and effective on the date you receive this notice. Under Minnesota Statutes, Chapter 14, you have a 30-day period from the date this revocation is received by you to challenge this decision and request a contested-case hearing. Requests for a hearing should be made in writing and include specific grounds for challenging the Department's decision. If you wish to request a hearing, please send a written request, within 30 days of your receipt of this letter, to:
