Re: **Plan Ahead for Vaccine Needed in Late June or Early July**

Please route to:

- Clinical supervisor
- Medical director
- Clinic manager
- Clinic staff
- Pharmacy
- Vaccine staff

Due to upcoming federal holidays, there may be longer-than-normal delivery times for vaccine orders. We encourage you to plan for vaccine deliveries needed in late June or early July and place those orders **no later than June 20**. After the July 4 holiday, you can expect standard delivery times to resume.
